5 **Create an account** through the system or **log in** to your existing account.

6 Fill out the required information. Be sure when creating the account, you add the **primary contact** information first. Then at the bottom of the screen, you can **add individual family members** to the account.

7 Once your account is created, be sure you register the **participant** for the class, not the primary contact.

8 Once all information is entered, you can **check out** and **pay online**.  
An automatic email will be sent to confirm your payment and registration.
